Work Experience

Salesforce

Buckhead, GA

Associate Solution Engineer

August 2026 – Present

- Partners with Account Executives and cross-functional teams to develop and deliver tailored, multi-product solution demonstrations across the Salesforce platform, translating complex business requirements into compelling technical narratives for SMB and Commercial customers.
- Conducts discovery with prospective customers to surface core business challenges, then designs and presents customized Salesforce solutions — spanning Sales Cloud, Slack, Tableau, and beyond — that align to measurable business outcomes and accelerate path to value.

Account Specialist

June 2025 – August 2026

- Ranked top 3 seller on the wider AMER Account Specialist team (May FY27), translating Salesforce capabilities into customer-specific business language to drive comprehension and close deals across all industries.
- Manages a full inbound sales cycle, with 122 deals totaling \$134K to date across New Business, Add-On, Upgrade, and Renewal motions since June 2025.
- Leads discovery and solution mapping for SMB opportunities, aligning product fit across Sales Cloud, Slack, Tableau, Marketing Cloud, and the broader Salesforce platform to customer business objectives.

Sales Development Representative

Feb 2024 – June 2025

- Generated over \$1.2MM in closed deals by partnering with Account Executives to qualify and advance leads through the sales cycle.
- Framed solutions around customer ROI rather than technical specifications, building the consultative foundation carried into subsequent roles.
- Averaged 1,500 value calls, 85 customer meetings set, and 12 transactions per month.

Campfire Coffee Co.

Cumming, GA

Business Operations Manager

March 2021 – Feb 2024

- Founded and scaled a mobile coffee business, owning the full business plan, equipment procurement, inventory, and supplier partnerships.
- Grew net sales 71% YoY in year two and 14% YoY in year three through outreach, retention, and social media marketing.
- Grew Instagram audience 367% organically; featured in local news (Dec. 2021).
- Expanded to a brick-and-mortar location, leading recruitment, scheduling, and day-to-day operations.

Siemens Healthineers

Atlanta, GA

Networked Care Intern

May 2023 – September 2023

- Performed market segmentation across 1,700+ customer accounts to support pre-call account familiarization for the Networked Care sales team.
- Developed and standardized marketing materials aligned to Networked Care product positioning and sales pitch guidelines

Education

Toccoa Falls College

Bachelor of Science in Organizational Leadership – May 2023 – GPA: 4.0

Volunteer Leadership

Worship Leader — Cross Church

March 2016 – Present

Youth Small Group Leader & Youth Music Director — Cross Church

December 2018 – Present
